

Code of Ethics

- 1: I will consider myself as an invited guest of the landowner on whose land I hunt and will conduct myself in ways that I will be welcome in the future.
- 2: I will recognize the rights and privileges of others sharing the same lands, waters that I hunt upon.
- 3: I will learn to identify the animals I hunt, their habits and habitats.
- 4: I will recognize and appreciate the fragile nature of the outdoor environment and treat it and the animals I hunt with respect, engaging only in fair chase and focusing more on obtaining a fulfilling outdoor experience rather than filling the bag limit.
- 5: I will avoid all hunting practices that degrade the safety and quality of the sport, for I recognize that- in the eyes of the public- my actions present those of all hunters.
- 6: I will avoid irresponsible use of alcohol and other drugs during my hunting experience.
- 7: I will support hunting laws and regulations, including bag limits, so that future generations can have the same outdoor experience I now enjoy.
- 8: I will review the hunting regulation annually and understand any changes that may have been made.
- 9: I will support conservation organizations working for protection of all natural resources including wildlife, wetlands, forests, soils, clean air and clean water, and I will pass to younger hunters the attitudes, values, and skills essential to becoming an ethical outdoorsperson.
- 10: I will return a gift to wildlife.
- 11: I will conduct myself in the field so as to make a positive contribution to wildlife and the ecosystem.
- 12: I will improve my skills as a woodsman and marksman to ensure humane harvesting of wildlife.
- 13: I will comply with game laws, or the sport of fair chase, and to influence my companions accordingly.
- 14: I will accept responsibility to provide all possible assistance to game law enforcement officers.
- 15: To reflect in word and behavior only to the credit of the fraternity of sportsmen and to demonstrate abiding respect for the game, habitat, and property where I am privileged to hunt.
